International GAAP 2016 Ernst & Young LLP 2015-12-21 International GAAP® 2016 is a comprehensive reference tool to interpreting and implementing International Financial Reporting Standards (IFRS) and provides detailed analysis of how complex financial reporting problems can be addressed appropriately and effectively. It demonstrates how difficult practical issues should be approached in the new complex global world of international financial reporting, where IFRS has become the accepted financial reporting system in more than 100 countries. The International Financial Reporting Group of Ernst & Young (EY) includes financial reporting professionals from around the world. Complex technical accounting issues are explained clearly in a working context that enables immediate understanding of the point at issue. It is accompanied by numerous worked examples, a comprehensive discussion of the practical issues of the day and the possible alternative options available, and hundreds of illustrations taken from the actual financial statements of companies that report under IFRS. The volumes cover the International Accounting Standards Board's (IASB) conceptual framework, financial statements, accounting policies, non-current assets held for sale and discontinued operations, consolidated financial statements, foreign exchange, inflation, intangible assets, leases, government grants, income taxes, share-based payment, statement of cash flows, hedge accounting, IAS 39, IFRS 9, insurance contracts and others.

International GAAP 2019 Ernst & Young LLP 2019-01-14 International GAAP® 2019 is a comprehensive guide to interpreting and implementing International Financial Reporting Standards (IFRS), setting IFRS in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EY's financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world. The 2019 edition of International GAAP® has been fully revised and updated in order to: • Continue to investigate the many implementation issues arising as entities adopt IFRS 9 (Financial Instruments) and IFRS 15 (Revenue from Contracts with Customers). • Explore the complex implementation issues arising as entities adopt, in 2019, IFRS 16 (Leases). • Include an updated chapter on the new insurance contracts standard IFRS 17 (Insurance Contracts), which reflects the recent discussions of the IASB's Transition Resource Group on implementation issues raised, proposed narrow-scope amendments to IFRS 17 intended by the IASB, and also explores other matters arising as

users prepare for the adoption of this standard. • Include an amended chapter on the revised Conceptual Framework, which was published in March 2018. The changes to the Conceptual Framework may affect the application of IFRS in situations where no standard applies to a particular transaction or event. • Address amended standards and new interpretations issued since the preparation of the 2018 edition. • Explain the many other initiatives that are currently being discussed by the IASB and by the IFRS Interpretations Committee and the potential consequential changes to accounting requirements. • Provide insight on the many issues relating to the practical application of IFRS, based on the extensive experience of the book's authors in dealing with current issues.

International GAAP 2012 Ernst & Young LLP 2011-12-22 International GAAP is the leading and most comprehensive guide to interpreting and implementing IFRS. For accountants and auditors globally, it delivers guidance in addressing IFRS issues as they occur, in addition to being an invaluable resource when preparing interim and annual accounts. New for the 2012 Edition Updated annually to reflect the new IASB standards and interpretations, and to deliver the latest guidance on the application of IFRS, International GAAP 2012 has been fully revised in order to: Deal with all new and amended authoritative pronouncements, including the new standards on Consolidated Financial Statements (IFRS 10), Joint Arrangements (IFRS 11), Disclosure of Interests in Other Entities (IFRS 12) and Fair Value Measurement (IFRS 13) and revisions to standards including Financial Instruments (IFRS 9), Presentation of Financial Statements (IAS 1), Income Taxes (IAS 12), Employee Benefits (IAS 19), Separate Financial Statements (IAS 27) and Investments in Associates and Joint Ventures (IAS 28). Explain the many initiatives that are currently being pursued by the IASB and IFRS Interpretations Committee and that will lead to changes in accounting requirements. In particular, projects on Revenue Recognition, Leases, Financial Statement Presentation, Financial Instruments and Insurance Contracts may all significantly change current accounting practices. Provide insight and guidance on the interpretation and practical application of IFRS from a truly global perspective, based on the experience of the book's authors in dealing with recent day-to-day practical issues. Present the sections relating to Financial Instruments and Insurance Contracts in a separate volume for ease of access. The book will be published in three volumes with over 4,000 pages, consisting 53 chapters and numerous illustrative examples.

International GAAP 2017 Ernst & Young LLP 2017-01-06 IFRSs, the standards set by the International Accounting
Standards Board (IASB), are complex and sometimes obscure. Understanding their implications and applying them
appropriately requires something special; and that is why International GAAP® 2017 is the essential tool for
anyone applying, auditing, interpreting, regulating, studying and teaching international financial reporting. It
provides expert interpretation and practical guidance for busy professionals, and includes, in every chapter,
detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. The
International Financial Reporting Group of Ernst & Young includes financial reporting specialists from throughout
the world. Complex technical accounting issues are explained clearly in a practical working context that enables
immediate understanding of the point at issue. International GAAP® 2017 is the only globally focused work on
IFRSs. It is not constrained by any individual country's legislation or financial reporting regulations, and it ensures
an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be
approached in the complex, global world of international financial reporting, where IFRSs have become the

accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level
of authoritative material for anyone involved in preparing, interpreting or auditing company accounts, for
regulators, academic researchers and for all students of accountancy. All aspects of the detailed requirements of
IFRS are dealt with on a topic-by-topic basis. Each chapter of International GAAP® 2017 deals with a key area of
IFRS and has a common structure for ease of use: an introduction to the background issues; an explanation of
relevant principles; a clear exposition of the requirements of IFRS; a discussion of the implications in practice and
possible alternative solutions available; worked examples; extracts from real company accounts; a full listing of the
required disclosures. "... an important part to play in the process of promoting consistent, comparable and high
quality financial reporting under IFRSs ... a book that not only provides an analysis of the requirements of the
standards and the principles that they expound, but also presents a unique explanation of how the standards should
be interpreted and applied in practice." - the Chairman of Trustees of the IASC Foundation "A standard reference
