Collecting the Past Toby Burrows 2018-10-03 Today's libraries and museums are heavily indebted to the passions and obsessions of numerous individual collectors who devoted their lives to amassing collections of books, manuscripts, artworks, and other culturally significant objects. Collecting the Past brings together the latest research on a wide range of significant British collectors from the eighteenth to the twentieth centuries, including Hans Sloane, Sarah Sophia Banks, Thomas Phillipps, Sydney Cockerell, J. P. Morgan Jr., Alfred Chester Beatty and R. E. Hart. Contributors to the volume examine the phenomenon of collecting in a variety of settings and across a range of different materials. Considering the aims and motives that led these collectors to assemble such remarkable collections, the book also examines the history of these collections after the collector's death. Particular attention is given to the often complicated relationship between collectors and the public institutions that subsequently came to house their collections. Situated within the framework of cultural collecting more generally, this book offers an authoritative series of essays on key collectors. Collecting the Past should be most interesting to researchers, academics and postgraduate students engaged in the study of museum studies, book history, manuscript studies, museum history, library history and the history of collecting. Professionals in libraries, museums and galleries will also find the volume of great interest.

Blessings for the Hands Matthew Schwartz 2008-11-15 From The Sky Inside the Shaking Tree What you feel reveals you. Watch for the sustenance inclined to a source, enamored of singularity, quickly here and quickly gone, shadow from which the body's courage comes. Fireflies apparently stumbling. I slapped one on my leg. Its blood glowed. Blessings for the Hands follows various speakers—often disabled speakers, who never once figure themselves as objects of complaint or self-pity—through the haunted dreamscape of “normalcy.” Indeed, dreams are continuous presences in this unusually subtle and elegant debut collection that juxtaposes physical circumstances with the vast interior life of the imagination. The subjects of Blessings for the Hands are real and imagined confrontations—and reconciliations—between family members, friends, strangers, and animals. Matthew Schwartz's quasi-autobiographical verse complicates and clarifies the emotions waiting just underneath the patterns and expectations of the speakers' daylight lives, where anger, joy, corporeality, and mortality all seem to collide. For Schwartz, poetry is a sleight of hand that keeps the reader guessing through nearly imperceptible shifts between present vision and absent reality. Blessings for the Hands is a lyric reckoning of the tension between the life we are given and the life we are determined to lead. “Blessings for the Hands is emotionally strong and imaginatively wild, distinctive, deeply moving, without an ort of self-pity, and pervaded by ‘compassion down to your fingertips’ (which Chekhov said is ‘the only method’ both to write and to live). This angle of vision is sharp enough to

unify much disparate material. The poems are clear and musical and consequently a pleasure to read and reread despite their gravity. I think this may be lasting work.”—Michael Ryan
