Energy Assessment in Groundnut Dr. Diksha Srivastava Dr. A N Mathur 2020-01-01 To know the extent of energy being wasted it is essential to know the amount of energy being consumed. The first step of any energy conservation programme in industry is the continuous monitoring energy of utilization, relating to the production and then improving energy efficiency which can be improved by three different approaches as follow:

□ Energy savings by management □ Energy saving by technologies □ Energy saving by policies/regulations

International Commercial and Marine Arbitration Georgios I. Zekos 2008-06-03 International Commercial and Marine Arbitration analyses and compares commercial-maritime arbitration in a number of different legal systems

including the US, the UK, Greece and Belgium. The book examines the role of the courts in arbitration in each of these countries, making reference to the latest case law, and also makes extensive reference to French, German, Italian, Austrian, Swiss and Netherlands law. Tracing the historical emergence of the modern system of commercial arbitration Georgios Zekos then goes on to present ways in which the current process of arbitration can be developed in order to make them more effective.
