Anglophone Jewish Literature Axel Stähler 2007-09-14 Anglophone Jewish literature is not traditionally numbered among the new literatures in English. Rather, Jewish literary production in English has conventionally been classified as 'hyphenated' and has therefore not yet been subjected as such to the scrutiny of scholars of literary or cultural history. The collection of essays addresses this lack and initiates the scholarly exploration of transnational and transcultural Anglophone Jewish literature as one of the New English Literatures. Without attempting to impose what would seem to be a misguided conceptual unity on the many-faceted field of Anglophone Jewish literature, the book is based on a plurality of theoretical frameworks. Alert to the productive friction between these discourses, which it aims to elicit, it confronts Jewish literary studies with postcolonial studies, cultural studies, and other contemporary theoretical frameworks. Featuring contributions from among the best-known scholars in the fields of British and American Jewish literature, including Bryan Cheyette and Emily Miller Budick, this collection transcends borders of both nations and academic disciplines and takes into account cultural and historical affinities and differences of the Anglophone diaspora which have contributed to the formation and development of the English-language segment of Jewish literature.

Sweater Weather Maggie Hardy 1996-02-01 Like a sweater on a chilly afternoon, the love of a friend can warm you from the outside in. SWEATER WEATHER is an inter-generational, cross-cultural adventure in love. Told through the eyes of a child, it is really an adult story & a tribute to the love & wisdom of both the child & the adult. Seven-year-old Abby Martin is stuck in a world without a father, where her mother has no time for her & her little brother has a hole in his heart. Her best friend, Ruby & her mom have to live with grumpy old Grandma Ruthie, who has closed out the world since her husband Joe died. Trapped in their own isolated, lonely worlds, both Abby & Grandma Ruthie are in need of love & kindness. Forced together, the two fashion a friendship of necessity, which grows from uncomfortable companionship into trust & love. Slowly they sow their own seeds of happiness, & this deeply rooted friendship blossoms & gives them the love they so desperately need. SWEATER WEATHER is a tender journey of compassion & growth, reminding us it's never too late to learn to love.
